

Post-pandemic employment considerations

Checklist for psychologists who are employees or independent contractors

- Review the specific vaccination and isolation rules that apply in your jurisdiction and your specific workplace settings.
- Review your Work, Health & Safety (WHS) obligations.
- Review and comply with your employer's policies and processes regarding:
 - WHS
 - Infection control
 - Mental health / workplace wellbeing
 - Privacy & confidentiality
 - Personal Leave
 - Returning to Work
 - Workers' compensation
- Review and comply with your employer's COVIDSafe plan including infection control protocols.
- Speak with your employer about any questions or concerns you may have.
- Seek reliable, fact-based information and resources e.g.:
 - Employee Assistance Program
 - High-Risk Settings Pandemic Payment
 - Australian Government of Health and Aged Care
 - Fair Work Ombudsman
 - Safe Work Australia
